FOREWORD

This county purchasing, sales and leasing procedures manual was compiled by the Association of Arkansas Counties staff. It reflects the current law through the 2011 legislative session and includes several pertinent Attorney General Opinion numbers as well as information about the Arkansas Purchasing Law. Several substantive changes to county government purchasing, sales and leasing codes were made during the 2011 session of the 88th General Assembly

This manual is not to be construed as legal advice. It presents the law for your information and guidance but specific legal questions should be directed to your county attorney or to the AAC Legal Counsel.

We hope this procedures manual will be helpful in the day-to-day business of your county.

(b) Any firm which desires to bid and have its name on the list of prospective bidders shall notify the purchasing official in writing of this desire, setting forth the class and description of commodities on which it desires to bid and the firm's qualifications as a responsible bidder.

(c) Every effort shall be made by the purchasing official to notify all eligible bidders before purchases are made.

ACA 14-22-108. Bidding procedure.

(a) All bids which require either formal or informal bidding shall be opened in public and read at the time and place specified in the notice.

(b) The awarding of contracts need not be upon the day of the opening of the bids but may be at a later date to be determined by the purchasing official.

ACA 14-22-109. Descriptions and specifications.

(a) Descriptions and specifications shall be sufficiently restricted or specific so as to exclude cheap or inferior commodities which are not suitable or practicable for the purpose for which they are to be used, but at no time shall they be so specific in detail as to restrict or eliminate competitive bidding of any items of comparable quality and coming within a reasonable close price range.

(b) Brand names may be used to simplify or indicate the general description of commodities required, but at no time, except for repair parts or items for use with existing equipment and machines or other health aids requested by a professional employee, shall such names be used to indicate any preference or to prevent bidding on commodities of like quality and coming within reasonably close price range.

BIDDING PROCEDURE FOR PERMANENT IMPROVEMENTS OVER \$20,000.00

ACA 22-9-203. Public Improvements generally - Award procedure.

(a) No contract providing for the making of major repairs or alterations, for the erection of buildings or other structures, or for making other permanent improvements shall be entered into by the state or any agency thereof, any county, municipality, school district, or other local taxing unit with any contractor in instances where all estimated costs of the work shall exceed the sum of twenty thousand dollars (\$20,000) unless:

(1) The state or any agency of the state shall have first published notice of its intention to receive bids one (1) time each week for not less than two (2) consecutive weeks for projects more than the amount of fifty thousand dollars (\$50,000) and published notice of its intention to receive

bids one (1) time each week for not less than one (1) week for projects more than the quote bid limit, as provided under the Arkansas Building Authority minimum standards and criteria, but less than or equal to fifty thousand dollars (\$50,000) in a newspaper of general circulation published in the county in which the proposed improvements are to be made or in a trade journal reaching the construction industry; and

(2) Any county, municipality, school district, or other local taxing unit shall have first published notice of its intention to receive bids one (1) time each week for not less than two (2) consecutive weeks in a newspaper of general circulation published in the county in which the proposed improvements are to be made or in a trade journal reaching the construction industry.

(b)(1) The date of publication of the last notice shall be not less than one (1) week before the day fixed therein for the receipt of bids.

(2) If there is no newspaper regularly published in the county in which the proposed work is to be done, the notices may be published in any newspaper having a general circulation in the county.

(3) Nothing in this section shall be construed as limiting to two (2) the number of weeks the notices may be published for projects over the amount of fifty thousand dollars (\$50,000), limiting to one (1) the number of weeks the notices may be published for projects more than the quote bid limit, as provided under subsection (a) of this section, and less than or equal to fifty thousand dollars (\$50,000), and as limiting to two (2) the number of weeks the notices may be published for all other projects.

(c)(1) All notices shall contain:

(A) A brief description of the kind or type of work contemplated;

(B) The approximate location thereof;

(C) The place at which prospective bidders may obtain plans and specifications;

(D) The date, time, and place at which sealed bids will be received;

(E) The amount, which may be stated in a percentage, of the bid bond required;

(F) A statement of the taxing unit's reservation of the right to reject any or all bids and to waive any formalities; and

(G) Such other pertinent facts or information which to it may appear necessary or desirable.

(2)(A)(i) Every bid submitted on public construction contracts for any political subdivision of the state shall be void unless accompanied by a cashier's check drawn upon a bank or trust company doing business in this state or by a corporate bid bond.

(ii) Every bid submitted on public construction contracts for the state or any agency or department of the state shall be void unless accompanied by a cashier's check drawn upon a bank or trust company doing business in this state or by a corporate bid bond, except for projects under twenty thousand dollars (\$20,000).

(iii) No bid bond shall be required for public construction contracts for the state or any agency or department of the state under or equal to twenty thousand dollars (\$20,000).

(B) This bid security shall indemnify the public against failure of the contractor to execute and deliver the contract and necessary bonds for faithful performance of the contract.

(C) The bid security shall provide that the contractor or surety must pay the damage, loss, cost, and expense subject to the amount of the bid security directly arising out of the contractor's default in failing to execute and deliver the contract and bonds.

(D) Liability under this bid security shall be limited to five percent (5%) of the amount of the bid.

(d) On the date and time fixed in the notice, the board, commission, officer, or other authority in which or in whom authority is vested to award contracts shall open and compare the bids and thereafter award the contract to the lowest responsible bidder, but only if it is the opinion of the authority that the best interests of the taxing unit would be served thereby.

(e) In the event that all bids submitted exceed the amount appropriated for the award of the contract, the state agency or its designated representatives shall have the authority to negotiate an award with the apparent responsible low bidder, but only if the low bid is within twenty-five percent (25%) of the amount appropriated.

(f)(1) In the event that all bids submitted exceed the amount appropriated for the award of the contract and if bidding on alternates was not required by the plans and specifications, the county, municipality, school district, other local taxing unit, or institution of higher education shall have the authority to negotiate an award with the apparent responsible low bidder but only if the low bid is within twenty-five percent (25%) of the amount appropriated.

(2) If the plans and specifications for the project require bids on alternates in addition to a base bid, there shall be no more than three (3) alternates, and the alternates shall:

(A) Be deductive; and

(B) Be set forth in the plans and specifications in numerical order.

(3) If all bids submitted exceed the amount appropriated for the award of the contract, then the county, municipality, school district, other local taxing unit, or institution of higher education may determine the apparent responsible low bidder by deducting the alternates in numerical order.

(4) After making the deductions, if the cost of the project is less than twenty-five percent (25%) above the amount appropriated, then and only in that event, the county, municipality, school district, other local taxing unit, or institution of higher education may negotiate an award with the low bidder so determined.

(g) Whenever it is obvious from examination of the bid document that it was the intent of a bidder to submit a responsive bid and that the bid, if accepted, would create a serious financial loss to the bidder because of scrivener error, such as the transposition of figures, the board, commission, officer, or other authority in which or in whom authority is vested has the authority to relieve the bidder from responsibility under the bond and may reject the bid.

(h) For projects of this state or any agency of the state, "amount appropriated" within this section means funds currently available for the project as determined by the state or any agency or department of the state or any county, municipality, school district, or other local taxing unit prior to the opening of any bids.

(i) No contract providing for the making of major repairs or alterations, for the erection of buildings or other structures, or for making other permanent improvements shall be entered into by the state, any agency of the state, any county, municipality, school district, or other local taxing unit with any contractor in instances where all estimated costs of the work shall exceed the sum of seventy-five thousand dollars (\$75,000) unless the bid documents contain statements which encourage the participation of small, minority, and women's business enterprises.

(j)(1) Notwithstanding any other provision of law to the contrary, any municipality or sanitation authority may enter into contracts with private persons, firms, associations, corporations, joint ventures, or other legal entities, including a combination of any of those entities, to provide for the design, building, operation, and maintenance of all or any portion of its wastewater treatment system, storm water treatment system, or water treatment system, or any combination of those systems.

(2) The contracts may include provisions for the design, financing, construction, repair, reconditioning, replacement, operation, and maintenance of the system, or any combination of those services and functions.

(3) Prior to entering into a contract under this section, the governing authority shall solicit qualifications-based competitive sealed proposals.

(4) The governing authority shall first establish criteria for evaluation of any entity submitting proposals on the contracts for the purpose of assisting the governing authority in making a review of the entity's previous performance on projects of comparable nature and magnitude and the environmental compliance record of the entity during the five (5) years immediately preceding the execution of the contract.

(5) The governing authority shall take into consideration the information to assist in determining the eligibility of any entity.

(6) The award of a contract under this section shall be made to the responsible and responsive entity whose proposal is determined in writing to be the most advantageous to the governmental authority, taking into

consideration the evaluation factors set forth in the request for proposals.

(7) The governing authority of the municipality or the sanitation authority shall employ an appropriately licensed professional who is independent of the contractor to monitor and perform an independent review and inspection of the design-build-operate-maintenance contract, or any part thereof, during its performance.

(8) Before soliciting proposals for a design-build-operation-maintenance project, the governing authority of the municipality or the sanitation authority shall employ an appropriate licensed professional to perform the necessary studies and preliminary design to clearly establish the parameters for the project, including:

(A) Acceptable processes and structural alternatives; and

(B) Cost estimates for the acceptable alternatives.

(k)(1) The state, an agency of the state, a county, a municipality, a school district, or other local taxing unit shall not require in plans or specifications that a bidder or supplier:

(A) Hold membership in any professional or industry associations, societies, trade groups, or similar organizations;

(B) Posses certification from any professional or industry associations, societies, trade groups or similar organizations as steel building fabricators; or

(C) Be endorsed by an professional or industry association, societies, trade groups, or similar organizations.

(2) However, plans and specifications may include or reference standards adopted by professional or industry associations, societies, trade groups, or similar organizations.

DESCRIPTIONS AND SPECIFICATIONS OR THE USE OF BRAND NAMES

ACA 14-22-109. Descriptions and specifications.

(a) Descriptions and specifications shall be sufficiently restricted or specific so as to exclude cheap or inferior commodities which are not suitable or practicable for the purpose for which they are to be used, but at no time shall they be so specific in detail as to restrict or eliminate competitive bidding of any items of comparable quality and coming within a reasonable close price range.

(b) Brand names may be used to simplify or indicate the general description of the commodities required, but at no time, except for repair parts or items for use with existing equipment and machines or other health aids requested by a professional employee, shall such names be used to indicate any preference or to prevent bidding on commodities of like quality and coming within reasonably close price range.

ACA 14-22-110. Testing and examination of products.

(a) The purchasing official is authorized to establish and enforce standards for all commodities for which formal bidding is required and to make or cause to be made any test, examination, or analysis necessary therefore. He may require samples to be submitted and a certified analysis to accompany bids prior to awarding contracts.

(b) After the bids have been opened, the lowest responsible bidder may be required to submit his product or article to further testing and examination prior to awarding the contract.

AWARDING THE BID

ACA 14-22-111. Awarding of contracts.

(a) All contracts shall be awarded to the lowest responsible bidder, taking into consideration all relevant facts, including, without limitation, quality, time of performance, probability of performance, and location.

(b)(1) Any bid may be rejected by the purchasing official.

(2)(A) Where bids are rejected, but the proposed purchase is not abandoned, and the circumstances indicate that further solicitation for bids would be to the best interest of the county, new bids may be called for.

(B) If the low bid is not accepted, a written statement shall be made by the purchasing agent and filed with the county clerk giving reasons for such refusal.

(c) All bidders shall be given equal consideration under the provisions of this chapter, except that when the bid represents items manufactured or grown in the county or offered for sale by business establishments having their principal place of business in the county with the quality being equal to articles offered by competitors outside the county, then the bidder shall be allowed a differential of not to exceed three percent (3%) of the purchase price in determining the low bid. However, in each instance in which this bid preference is requested, the bidder must so indicate before the date and time fixed for opening the bids and thereafter furnish satisfactory proof if requested.

(d) In all cases where there are equal or tie bids, preference shall be given to residents or firms located and doing business in the county.

ORDER OF APPROVAL FOR PURCHASE

ACA 14-22-112. Order of approval.

(a) No contract shall be awarded or any purchase made until it has been approved by the county court, and no contract shall be binding on any county until the court shall have issued its order of approval.

(b) The order of the court shall be properly docketed. All documents and bids pertaining to the solicitation of bids and awarding of contracts under the purchasing procedure of

this chapter shall be filed with the county clerk, together with the order of the court, which shall be filed by the clerk.

(c) No claim filed with the county for payment of any commodity, the purchase of which is regulated by this chapter, shall be paid; or no warrant shall be issued by the county clerk for the payment of it until the order of the court approving it shall have been issued and filed with the clerk.

HOW TRADE-INS ON A PURCHASE ARE TREATED

ACA 14-22-113. Trade-Ins.

(a) In the case of a purchase contract in which trade-ins are being offered on the purchase of commodities, the full purchase price shall govern the classification or purchase procedure to be followed in the solicitation for bids and the awarding of the contract.

(b) The purchasing official shall determine, with respect to trade-ins, what procedure shall be for the best interest of the county. If he so determines, such equipment or machinery may be sold outright under the law as provided.

RECOURSE BY THE COUNTY IN THE EVENT THE BIDDER FAILS TO PERFORM THE CONTRACT

ACA 14-22-114. Failure of performance.

If any bidder to whom a purchase contract is awarded under the provisions of this chapter shall refuse or fail to perform the contract or to make delivery when required by the contract, or shall deliver commodities which are inferior or do not meet the specifications under the bid, the county may pursue any remedy available at law or in equity, including, without limitation, the voiding of the contract.

LEGAL COUNSEL IS AVAILABLE TO THE COUNTY PURCHASING OFFICIAL

ACA 14-22-115. Legal counsel.

(b)(1) of this section, may subcontract a portion of the listed work.

(B) However, a subcontractor is prohibited from subcontracting the work in its entirety.

(c)(1) When the prime contractor makes a definite decision regarding the subcontractors he or she intends to use, he or she shall place the name of each subcontractor in a blank space provided on the form of proposal of his or her bid.

(2) In the event that one (1) or more of the subcontractors named by the prime contractor in his or her successful bid thereafter refuses to perform his or her contract or offered contract, the prime contractor may substitute another subcontractor licensed by the board after having obtained prior approval from the architect or engineer and the owner. Additional approval must be obtained from the Arkansas Building Authority for capital improvement projects under its jurisdiction.

(d) The prime contractor shall submit written evidence that the substituted contractor is costing the same amount of money or less and, if costing less, that the savings will be deducted from the total contract of the prime contractor and rebated to the owner.

(e) It shall be mandatory that the mechanical, plumbing, electrical, and roofing, and sheet metal subcontractors named on the form of proposal by the prime contractor awarded a contract under the provisions of this subchapter be given contracts by the prime contractor in keeping with their proposals to perform the items for which they were named.

(f)(1) It shall be a violation of this section for any prime contractor to submit a bid listing unlicensed contractors or to use unlicensed contractors on a public works project if the listed work of the unlicensed contractors or portion of the unlicensed contractor's work is twenty thousand dollars (\$20,000) or more.

(2) It shall be a violation of this section for any subcontractor who is not licensed by the board to contract to perform work on a public works project if the listed work of

the subcontractor or portion of the subcontractor's work is twenty thousand dollars (\$20,000) or more.

(3) The board has jurisdiction over violations of this subsection under § 17-25-103.

INTEREST ON DELINQUENT PAYMENTS

ACA 22-9-205. Public Improvements generally - Interest on delinquent payments.

Whenever any agency of this state or of any county, municipality, or school district, or other local taxing unit or improvement district enters into a contract covered by the provisions of §§ 22-9-202 – 22-9-204 for the making of repairs or alterations or the erection of buildings or for the making of any other improvements, or for the construction or improvement of highways, roads, streets, sidewalks, curbs, gutters, drainage or sewer projects, or for any other construction project, and the contract provides that payment therefor shall be made upon completion and acceptance of the project, and the contractor, upon completion and approval of the project, presents a claim for payment of the amount due thereon in accordance with the terms of the contract, and the claim is not paid by the public authority within ninety (90) days from the date of presentation of the claim, then the public authority shall pay to the contractor interest at the rate of ten percent (10%) per annum on the unpaid amount due for all periods of time that the payment under the contract is not made subsequent to ninety (90) days after presentation of the claim.

RENOVATION OF HISTORIC SITES

ACA 22-9-208. Renovation of historic sites - Legislative Intent and construction.

(a) The General Assembly finds and determines that:

(1) The mandatory adherence to competitive bidding of all costs in altering, repairing, or renovating historic sites and structures has resulted in increased costs

due to the inability of bidders to accurately determine on the basis of only an external examination of the historic sites and structures the exact quantity of labor, materials, and supplies necessary to meet the restoration standards;

(2) The State of Arkansas would conserve state revenues by giving agencies charged with restoring or maintaining historic properties authority to select the contractors on the basis of the lowest responsible bid price, the bidder's experience in like work, and the techniques he or she proposes to employ, and by giving the agencies authority to reimburse contractors on an actual cost basis for those cost components which cannot be accurately predetermined before undertaking the project; and

(3) The procedures provided in subdivision (a)(2) of this section should be applicable for specific projects only after review and approval by the Chief Fiscal Officer of the State, the Arkansas Building Authority Council, and the Legislative Council. Provided, however, projects undertaken by public institutions of higher education exempt from review and approval of Arkansas Building Authority shall not require review and approval by the Arkansas Building Authority Council.

(b) In the event there is conflict between the provisions of this section and §§ 22-9-209 – 22-9-211 and the provisions of any other act insofar as the restoration of historic structures is concerned, the procedures set forth in this section and §§ 22-9-209 – 22-9-211 shall govern.

ACA 22-9-209. Renovation of historic sites - Advertising of contracts.

(a) No contract for the altering, repairing, or renovation of a recognized historic site or structure owned by the State of Arkansas or with title vested in the name of a state agency or of another taxing authority, where the estimated cost of the work equals or exceeds the sum of ten thousand dollars (\$10,000), shall be entered into between the agency and any contractor unless the agency shall have first published notice of intention to receive bids for improvements one (1) time each week for not less than two (2) consecutive weeks in a newspaper of general circulation published in the county in which the proposed improvements are to be made or in a trade journal reaching the construction industry.

(b) (1) The date of publication of the last notice shall be not less than one (1) week before the date affixed therein for the receipt of bids.

(2) If there is no newspaper regularly published in the county in which the proposed work is to be done, the notices may be published in any newspaper having a general circulation in the county.

(3) Nothing in this section shall be construed as limiting to two (2) the number of weeks the notices may be published.

(c) (1) All notices shall contain a brief description of the kind or type of work contemplated, the approximate

location thereof, the place at which prospective contractors may obtain plans and specifications, the date, time, and place at which sealed bids will be received, and the amount, which may be stated in a percentage, of bond required.

(2) A statement shall be included notifying bidders that the proposed renovation will be contracted under the authority of §§ 22-9-208 – 22-9-211.

(3) The invitation for bids shall include a required resumé of similar restorative work performed by the contractor.

(d) (1) No agency shall advertise for bids under the provisions of this section and §§ 22-9-208, 22-9-210, and 22-9-211 without seeking the advice of the Legislative Council and the Arkansas Building Authority Council.

(2) (A) Provided, however, public institutions of higher education exempt from review and approval of the Arkansas Building Authority shall not be required to seek advice of the Arkansas Building Authority Council.

(B) Provided further, nothing in this section shall prevent an institution of higher education exempt from review and approval of the authority from entering into an agreement with the authority to provide such advice.

ACA 22-9-210. Renovation of historic sites - Award of contracts.

(a) The highest quality of restoration commensurate with reasonable costs and obtainable within available funds is considered to serve the best interests of the state. Cost, proposed method, and experience in similar work shall be considered by the agency as interrelated and inseparable factors in the award of a contract. Therefore, the award may be made other than to the lowest bidder. To permit evaluation of bidder qualifications, bid proposal documents shall include the following:

(1) The types of skills and numbers of persons of each skill needed to accomplish the work, together with the proposed rate of payment of each;

(2) The anticipated quantity of materials estimated to be required, together with the unit price for each;

(3) The proposed factor by which subdivisions (a)(1) and (2) of this section shall be multiplied to provide for overhead and profit;

(4) The calculations contained in subdivisions (a)(1), (2), and (3) of this section shall be extended and totaled to produce an estimated total cost for the project. Bid forms prepared by the contracting agencies shall be provided for the purpose of setting forth the calculations;

(5) A narrative statement of the methods and the techniques proposed for the restoration work;

(6) A listing of previous comparable projects completed by the bidder, including location, cost, date completed, and owner's name and address; and

(7) A resumé of the personal experience of the key supervisory personnel who will be directly involved in the execution of the project.

(b) No contract shall be awarded under the provisions of this section and §§ 22-9-208, 22-9-209, and 22-9-211 until the contracting agency has submitted copies of the invitation for bids, together with all proposals received and the agency's narrative statement of its evaluation and recommendations for approval, to the Chief Fiscal Officer of the State.

ACA 22-9-211. Renovation of historic sites - Payment.

(a) The contracting agency shall establish, as part of the contract, a maximum compensation for the project.

(b) Payment shall be based on the work actually done and the materials actually used.

(c) The contractor shall submit periodic invoices for labor, materials, and overhead and profit in accordance with the rates established in the bid proposal.

(3) If the local governing body determines that the property located in the proposed redevelopment district is in a wholly unimproved condition, the ordinance shall state that the revenues deposited into the special fund shall be used only for project costs incurred in connection with capital improvements of a public nature.

(g) (1) The boundaries of the redevelopment district may be modified from time to time by ordinance of the local government.

(C) (i) The local governing body shall submit the economic analysis to the Arkansas Economic Development Commission for review.

(ii) The department shall review the economic analysis and provide written comments as to its economic feasibility to the local governing body no later than thirty (30) days after submission by the local governing body;

(E) When a sale or disposal of property is conducted under another section of the Arkansas Code.

(2) An election shall not be required for the sale of a county hospital that has been vacant or not used as a county hospital for more than one hundred twenty (120) days.

LEASING COUNTY PROPERTY TO OTHERS

THE COUNTY JUDGE IS AUTHORIZED TO LEASE COUNTY PROPERTY.

THE COUNTY MAY LEASE A COUNTY-OWNED HOSPITAL

ACA 14-16-108. Sale or lease of county hospital to municipality.

(a) Any other law notwithstanding in this state, from and after the passage of this act, the county court of each county of the State of Arkansas shall have the right to sell or lease any county-owned hospital, where there is no outstanding bonded indebtedness, upon such terms and conditions as the court may deem advisable for the best interests of the county, to any municipality located within the county.

(b)(1) Before any such sale or lease shall be entered into, the proposition shall be submitted to the county quorum court for approval or rejection.

(2) If a majority of the county quorum court voting thereon approves it, then the county court is authorized to execute other instruments that may be necessary to facilitate the sale or lease.

(c) Each sale or lease shall recite in the instrument of conveyance that should the municipality that has been granted the sale or lease of the county-owned hospital have any reason to discontinue to use it for hospital or nursing home purposes, then, in that event, the property shall revert back to the county, and title to the hospital shall be revested in the county.

LEASING PROCEDURE OF COUNTY LANDS TO A MUNICIPALITY.

ACA 14-16-109. Lease of county lands to municipality.

a) Any county in this state may lease any lands owned by the county to any municipality in the county to be used for such purposes, subject to such restrictions, and for such consideration or compensation as shall be agreed upon by the contracting county and municipality.

(b) In addition to other terms the county court finds reasonable and proper, the contract for the lease of county property shall provide that when the leased property ceases to be used for the purpose expressed in the lease or needs to be used by the county, the lease may be cancelled by the county court after reasonable notice.

GUIDELINES FOR LEASING COUNTY PROPERTY TO EDUCATIONAL INSTITUTIONS.

ACA 14-16-110. Lease of county property to educational institutions.

(a) Any lawfully incorporated nonprofit, nonsectarian educational institution; any lawfully incorporated nonprofit, nonsectarian boys' club or girls' club; or any lawfully incorporated quasi-public, nonprofit, nonsectarian organizations including, but not limited to, community mental health centers may petition the county court of any county or county district in which the institution, club, or organization is located to lease to it real or personal property belonging to the county for use by the institution, club or organization.

(b)(1) Immediately upon the filing of the petition, the judge of the county court shall make an order fixing a time and place for a public hearing on the petition, notice of which order shall be given by the county clerk by publication one (1) time in a legal newspaper having a bona fide legal circulation in the county or county district at least ten (10) days prior to the date fixed for the hearing.

(2)(A) The notice shall state the time of filing, the substance and the purpose of the petition, and the time and place of hearing it.

(B) (i) The hearing shall be public, and all persons having an interest in the subject matter of the petition shall be entitled to be heard either in person or by attorney.

(ii) The hearing may be continued or adjourned to a further date, at the discretion of the court, but no further notice thereof by publication shall be required.

(c)(1) When satisfied from the petition or the evidence, if any, at the hearing that any real or personal property belonging to the county or county district is not, and in the future will not be, needed for use by the county and that the property may be used by any lawfully incorporated, quasi-public, nonprofit, nonsectarian institution, club, or organization in the county or county district, then the county court may order the lease of any property to the legally constituted directors or trustees of the institution, club or organization for such time and upon such terms and conditions as the county court, in its discretion, shall find just, reasonable, and proper.

(2) The lease shall be signed and approved by the judge of the county court and by the directors or trustees of the institution, club, or organization and shall thereafter be and become a binding and valid contract when the order authorizing it shall have become final as provided in this section.

(3) Any such lease shall provide, in addition to any other terms as the county court shall deem reasonable and proper, that when the property ceases to be used for the foregoing purposes, or needs to be used by the county, the lease may be canceled by the court, after reasonable notice.

(d)(1)(A) When a hearing shall have been had pursuant to notice, as provided in this section, and an order granting or denying the petition shall have been made, the order shall become final and binding thirty (30) days after entry unless within that thirty (30) days any interested person or taxpayer of the county or county district shall appeal to the circuit court of the county or county district, the appeal from the order to be prosecuted and determined in the same manner as provided by law for appeals from the county court to the circuit court in municipal annexation cases.

(B) In like manner, the final judgment of the circuit court may be appealed by any interested person or taxpayer to the Supreme Court likewise as in such cases.

(2) Any appeal to the circuit court or from the circuit court to the Supreme Court must be taken and transcript lodged in the appellate court not later than thirty (30) days after the judgment or order of the court appealed from, and that appeal shall be advanced on motion of any party thereto.

(3) In the event of any appeal from the order of the county court as provided in this subsection, the order shall not become final until the appeal is finally determined.

LONG TERM LEASES OF COUNTY OWNED REAL PROPERTY TO PRIVATE CORPORATIONS

Attorney General Opinion No. 88-369

The county judge is authorized to execute such leases on behalf of the county. Such authority is granted by Amendment 55 to the Arkansas Constitution which provides in section 3 that the county judge shall have custody of county property. Prior to the adoption of Amendment 55, authority was granted to the county court. (Arkansas Constitution Art. 7 & 28, and Pogue V. Cooper, 284 Ark. 105, 679 S.W. 2d 207 (1984).

In addition, the legislature in Act 742 of 1977, (the enabling legislation to Amendment 55), has granted the county judge this authority. ACA 14-14-1102(3) provides:

CUSTODY OF COUNTY PROPERTY. The county judge, as the chief executive officer of the county, shall have custody of county property and shall be responsible for the administration, care, and keeping of such county property, including the right to dispose of county property in the manner and procedure provided by law for the disposal of county property by the county court. (The "manner and procedure provided by law for disposal of county property by the county court" is found at ACA 14-16-105 (Supp. 1987), and contains provisions requiring appraisal, public notice, bidding, and a sale price limitation.) The county judge shall have the right to assign or not assign use of such property whether or not the county property was

purchased with county funds or was acquired through donations, gifts, grants, confiscation, or condemnation.

It appears that there is one decision of the Arkansas Supreme Court which disagrees with this conclusion. In *Maroney v. Universal Leasing Corp.* 263 Ark. 8, 562 S.W. 2d 77 (1978), the court held that the county judge had no authority to convey county property to an individual for industrial purposes without the approval of the county court. In the *Maroney* case, however, the actual conveyance took place before the adoption of Amendment 55, and in fact, although the case was decided in 1978, some four years after adoption of the Amendment, the court did not cite, and in no way relied upon Amendment 55 in rendering its decision.

MECHANISMS ESTABLISHED IN ORDER FOR COUNTIES TO MAKE LONG TERM COMMERCIAL LEASES OF COUNTY REAL PROPERTY

Attorney General Opinion No. 88-369.

ACA 14-164-201, et seq. provides that counties may lease land to secure or develop industry in the area without complying with 14-16-105. (See ACA 14-164-204, 205; and *Dumas v. Jerry*, 257 Ark. 1031, 521 S.W. 2d 539 (1975). If the prospective lessee's operations come within the definition of industry found at ACA 14-164-203(9), the county need not comply with the provisions of ACA 14-16-105, and the county judge may simply execute the lease.

COUNTY JUDGE CAN LEASE LANDS DONATED TO THE COUNTY TO FOR-PROFIT BUSINESS

Attorney General Opinion No. 2007-193: The Arkansas Constitution and Arkansas Code provide that county judges have exclusive authority to lease county lands.

The court in *Pogue v. Cooper*, 284 Ark. 105 (1984) indicated in dictum that a county judge may lease county lands or real property to private interests. Also, there is a long history of the leasing of public property for private use with the only issue raised as relating to property taxation treatment. The opinion noted that there are several sections of the code that provide for leasing of county lands for industrial development, for airports, for hospitals, leasing to cities and leasing to non-profits, etc. The authority to lease county lands is not restricted to those particular instances affirmatively set forth in the law. The Attorney General concluded the county judge is empowered to assign county property not dedicated to specific use and to determine the measure of consideration to be accepted; and in the absence of fraud, a court should not disturb a valid contract between a county and private parties.

ARKANSAS'S COOPERATIVE PURCHASING PROGRAM

LOCAL GOVERNMENT USE OF STATE CONTRACTS

WHAT IS IT?

On March 21, 1979, Governor Bill Clinton signed into law Arkansas's Purchasing Law (ACA 19-11-201). Effective July 1, 1979, this bill allows Arkansas's local public procurement units to buy goods and services from State of Arkansas purchasing contracts.

With the passage of the Purchasing Law, Arkansas joins a majority of states that have enacted legislation that offers local governments the advantage of buying from centralized state purchasing contracts. These programs benefit local governments by providing them an option to procure needed goods and services at lower prices.

HOW DOES THE PROGRAM WORK?

Arkansas's Procurement Law provides that any local public procurement unit may participate in a state procurement contract. To do so, the local government must pass an ordinance or resolution that requests participation in state contracts awarded by the Arkansas Department of Finance and Administration, Office of State Procurement. The ordinance or resolution must further provide that the government unit will agree to all state contract terms and conditions and will assume responsibility for directly paying the vendor. The local government is required to file a certified copy of the ordinance or resolution with:

Arkansas Department of Finance and Administration
Administrator, Office of State Procurement
1509 West Seventh Street, Suite 300
P.O. Box 2940
Little Rock, Arkansas 72203-2940

A sample of a model resolution authorizing cooperative purchasing follows:

Model Resolution Authorizing Local Government Cooperative Purchasing

WHEREAS, Arkansas's State Purchasing Law (ACA 19-11-201) was signed into law by Governor Bill Clinton on March 21, 1979; and

WHEREAS, effective July 1, 1979, Arkansas's State Purchasing Law provides the opportunity for local public procurement units to participate in contracts of the State of Arkansas, Department of Finance and Administration, Office

of State Purchasing, for the purchase of supplies, services, equipment and certain materials; now therefore,

BE IT ORDAINED BY THE (LOCAL GOVERNMENT UNIT)

Section 1. That the (AUTHORIZED AGENT OF THE LOCAL GOVERNMENT UNIT) hereby requests authority in the name of the (LOCAL UNIT) to participate in state contracts with the Department of Finance and Administration, Office of State Procurement, has entered into for the purchase of supplies, services, equipment and certain materials pursuant to the State Purchasing Law and Amendment 54 to the Arkansas Constitution.

Section 2. That the (AGENT) is hereby authorized to agree in the name of the (LOCAL UNIT) to be bound by all contract terms and conditions as the Department of Finance and Administration, Office of State Procurement, prescribes. Such terms and conditions may include a reasonable fee to cover the administrative costs which the Department of Finance and Administration incurs as a result of (LOCAL UNIT) participation in a contract. Further, that the (AGENT) does hereby agree to be bound by all such terms and conditions.

Section 3. That the (AGENT) is hereby authorized to agree in the name of the (LOCAL UNIT) to directly pay the vendor, under such state contract in which it participates, for items it receives pursuant to the contract, and that the (AGENT) does hereby agree to directly pay the vendor.

(RESOLUTION/ORDINANCE MUST BE CERTIFIED AND FILED WITH THE OFFICE OF STATE PROCUREMENT.)

WHEN MAY I BUY FROM A STATE CONTRACT?

You may elect to purchase or not to purchase from a state contract after a copy of your resolution is on file in the Office of State Procurement.

Certain contracts require the vendor to sell to local public procurement units. Not all state contracts are available; however, the Office of State Procurement will consult with local public procurement units and develop additional contracts for their utilization as the need arises.

WHAT ABOUT LOCAL BID REGULATIONS?

Under the Arkansas State Procurement Law, local government compliance with local competitive bidding law

and regulations is exempted when purchases are made from state purchasing contracts.

ACA 19-11-249 – Cooperative Purchasing.

Any public procurement unit may either participate in, sponsor, conduct, or administer a cooperative purchasing agreement for the acquisition of any commodities or services with one (1) or more public procurement units or external procurement activities in accordance with an agreement entered into between the participants. Such cooperative purchasing may include, but is not limited to, joint or multiparty contracts between public procurement units and open-ended state public procurement unit contracts which are made available to local public procurement units.

HOW WILL THE OFFICE OF STATE PURCHASING BE INVOLVED?

The Office of State Purchasing will work with Arkansas' local public procurement units to identify and select those contracts most appropriate for local government use. Assistance will be available from State Procurement to ensure contract compliance. However, local governments will be required to report quarterly to State Procurement specific usage for each term contract, if any.
