Foreword

The following list of Acts of the 2025 Regular Session of the 95th General Assembly has been compiled for your information by the staff of the Association of Arkansas Counties. We have made every effort to identify all Acts that relate to county government. However, if we missed any, we ask you to please let us know.

Of the 1,696 bills and joint resolutions filed during the session, 1,026 became Acts. AAC tracked 560 bills and joint resolutions during the session that could affect county government. Three hundred and twelve of those bills became law, and three joint resolutions will be presented to voters.

The AAC legislative package contained 29 bills, of which 26 passed and are now Acts. That is a 90 percent success rate.

The full text of each Act is available on the internet at the AAC website, www.arcounties.org, or the Arkansas General Assembly website, www.arkleg.state.ar.us

- (2) **(E) Emergency Clauses** – many acts have emergency clauses which make the act effective on the date it is signed by the Governor or becomes law without signature.
- (3) **(A) Appropriation Acts** – these acts are effective July 1, 2025 or the first day of the fiscal year. The fiscal year for the State of Arkansas is July 1 – June 30.
- (4) **Unspecified (most Acts)** – acts which contain none of the above are effective 90 days after the General Assembly adjourns (Amendment 7 to the Arkansas Constitution, as interpreted by the Attorney General’s Opinion #83-74). The General Assembly adjourned sine die on May 5th, therefore, the effective date of those acts without emergency clauses or built-in effective dates is expected to be August 4th.
